

NAMIBIA INDUSTRIAL  
DEVELOPMENT AGENCY

*Growing Sustained Industries*

## **REQUEST FOR PROPOSAL**

### **PROVISION OF NATIONAL AND INTERNATIONAL MARKETING AND LOGISTICS SERVICES FOR FRESH FRUITS.**

**Procurement Ref. No: S/RP/NIDA/07/08/2020**

The Namibia Industrial Development Agency (NIDA) was established in terms of the NIDA Act, Act No. 16 of 2016 primarily to spearhead industrialization of the country. The Agency produces a substantial volume of Dates, Table Grapes, Prickle pears, and Pomegranates at its Eesbegin and Naute Irrigation farms. In this regard, NIDA seek to expand its current marketing of its fresh produce around the globe in order to improve on its profitability, sustainability and by overall, turnaround its farming operations. The prospective Marketing Agency will be required to deliver a wide range of services as describe in the terms of reference, obtainable by written request to [procurement@nida.com.na](mailto:procurement@nida.com.na)

NIDA seek to solicit proposals for the provision of marketing and logistics services from experienced Enterprise(s) that are specialized in the marketing, logistics, trade, and sales of Table Grapes, Pomegranates, Dates and/or Prickly Pears to the European, USA, Asian, Middle Asian and the rest of the African markets in accordance with the information provided in this TOR.

The proposal must be deposited into the bid box at the Namibia Industrial Development Agency reception, Ground floor, 11 Goethe Street, Windhoek, on or before Wednesday, 07<sup>th</sup> October 2020 at 12h00. All enquiries should be addressed in writing to [procurement@nida.com.na](mailto:procurement@nida.com.na) before the 02<sup>nd</sup> October 2020.
