# NOTICE TO ALL DEBTORS

The Namibia Industrial Development Agency (NIDA) herewith informs its tenants of the resolution to take appropriate action against defaulting tenants. These actions have been prompted by long overdue rental arrears, which continue to hamper the Agency's ability to sustainably deliver on its mandate to the Namibian nation. As part of this robust exercise, tenants are encouraged to immediately contact NIDA's Finance Department to resolve any rental account issues which they might have, settle any outstanding arrears amounts on the leased units, and/or make arrangements by signing an acknowledgement of debt on or before Friday 30th July 2021.

This resolution will come into effect on 1st August 2021 and will include, but not limited to the following actions:

1. Continued blacklisting of defaulting tenants with over 90 days arrears amounts
2. Charging 2% interest on all outstanding arrears amounts from 30 July 2021
3. Cutting-off of utilities at all Parks with outstanding arrears
4. Handing over of arrears to outside attorneys for collection and eviction of tenants
